NICMAR
UNIVERSITY OF CONSTRUCTION STUDIES

NICMAR UNIVERSITY OF CONSTRUCTION STUDIES, HYDERABAD, TELANGANA

ADMISSION PROCEDURE:

ADMISSION PROCESS 2027:

NICMAR University of Construction Studies, Hyderabad, ensures a fair and transparent admission process by selecting candidates based on their academic merit, creativity, and commitment to excellence.

Students seeking admission to the programmes offered by NICMAR University of Construction Studies, Hyderabad, must register on the university website and pay the prescribed application fee. Upon successful registration, an application number will be sent to the candidate's registered email address. Candidates can then complete the application form by uploading all the required documents. Please note that incomplete applications will not be considered for further stages of the admission process.

If a candidate applies for multiple programmes, programme allotment will be based on the **weighted merit assessment score**. Candidates are required to participate in the selection procedure on the scheduled dates.

The admission process will be conducted online, and detailed instructions regarding the selection procedure will be shared with the applicants.

Although candidates' programme preferences will be taken into consideration, the final allotment of programmes will be at the sole discretion of the Admissions Department, NICMAR University of Construction Studies, Hyderabad.

Application Fee
PG Programmes: ₹4,000/-*
*Non-Refundable

Selection Process

All applications received on or before the last date of application are scrutinised, and the uploaded documents are verified to establish the eligibility of a candidate for the applied programme / programmes. Eligible candidates are invited to appear for the written entrance exam named the "**Post Graduate NICMAR Common Admission Test (PG-NCAT)**". Valid equivalent scores for aspirants appearing for CUET PG, MBA State-CET, CAT, XAT, MAT, NMAT, GRE, or GMAT are considered for MBA and PGD programmes as an alternative to PG-NCAT. For M. Tech programmes, valid GATE scores (Civil Engineering) is accepted as an alternative to PG-NCAT. For candidates who appear for both PG-NCAT and any of the other accepted entrance examinations, the highest score will be considered, wherever applicable. Furthermore, candidates must appear for a Personal Interview (PI). The final selection is based on the weighted merit assessment score comprising the entrance exam (PG-NCAT or accepted alternatives), Personal Interview (PI), and Rating of Application (RA)
