

**NICMAR has signed  
"Memorandum of Understanding (MOU)" with two  
leading well known organizations in the country**

- 1. MOU with Tata Power, Mumbai - The MOU is to enable the Institute to conduct executive training and development programmes for executives of Tata Power, at various levels, involved both in project as well as non project functions. The MOU is already operational and the first programme envisaged under the MOU is underway at Tata Power.**
  
- 2. MOU with MAYTAS, Hyderabad - The MOU aims at certification by NICMAR of MAYTAS executives in project management through a unique long duration programme called " Certified Project Managers' Course " designed in five modules. The MOU also covers refresher programmes to be conducted for the benefit of MAYTAS executives as part of continuous learning process. The programme will cover several batches of executives.**

**Both the MOUs are long term in nature and are eventually expected to cover other areas of mutual interest.**
