POST GRADUATE DIPLOMA IN QUANTITY SURVEYING AND CONTRACT MANAGEMENT (PGD QSCM)

INTRODUCTION

Construction industry has become more competitive, complex and challenging. Hence, there is a need for a more specialized workforce that can handle these works with ease and expertise. At the same time, effective budgetary control measures along with timely completion of the project are the need of the hour. Quantity surveying and contract management are the most important tasks in the field of construction apart from planning and execution. While quantity surveying deals in managing and controlling different aspects of construction, contract management helps in mitigating the risks and ensures regulatory and policy compliance.
In this context, NICMAR University has responded proactively to address its need and has taken a lead in offering a Post Graduate Diploma in Quantity Surveying and Contracts Management (QSCM).

VISION OF SCHOOL OF CONSTRUCTION

To be a globally recognized leader in construction management education and research, shaping the construction industry's future by producing highly skilled value-driven professionals and entrepreneurs who excel in the built environment.

MISSION OF SCHOOL OF CONSTRUCTION

The School of Construction will achieve its vision by

I. Empowering students with state-of-the-art knowledge and practices to become effective construction managers and entrepreneurs, facilitating them to adapt evolving industry trends and remain at the forefront of their profession.

2. Delivering rigorous and industry-relevant curriculum, fostering critical thinking, complex problem-solving, and hands-on learning through real-world projects and internships

3. Emphasizing sustainable construction practices and environmental stewardship, preparing students to address the challenges of the built environment by hands-on training.

4. Developing a strong sense of ethical and professional responsibility, encouraging students to uphold the highest standards of integrity and safety in their work.

OBJECTIVES

Being an industry-oriented programme, QSCM equips graduates to become professional quantity surveyors to work with construction companies, consultants and government departments. Postgraduates of this programme will have competency in:

- Measurement and estimation of quantities, preparation of bill of quantities, and submission of tenders.
- Building economics from the conceptual stage till completion.
- Post contract functions, monthly valuations, and project variance reports.
- Identification of claims and extra work at sites.
- Proficiency in information technology, finance and people management skills.
- Evaluate the knowledge and skills as applied to the effective delivery of the projects/functions assigned to them.
- Competency to handle a project in the specialized construction sector.
- Administration of contracts, conciliation arbitration and dispute resolution.

PROGRAMME SPECIFIC OUTCOMES

PO1: Able to write and present a substantial technical report/ document enabling them to interact with the stakeholders of construction projects.
PO2: Apply the theory and practices of estimation & planning, procurement, execution and contract administration for construction projects.

PO3: Apply digital technologies for estimation, planning and contract administration of construction projects

PO4: Demonstrate professionalism, ethical approach, and interpersonal skills to work in multidisciplinary project teams

PO5: Develop proficiency in Project Communications and Financial skills for business conduct.

DURATION

The programme duration is of one year and is organised into two semesters. The final project work will be done during the second semester.

He/she should be familiar with MSOffice-Excel, Estimation software for generating outputs for various purposes. He/she should be comfortable with the Internet and multimedia systems. Every student gets hands-on experience with the software. Skilful and creative application of tools and techniques of information technology and use of computers in the practice of his/her profession is the trademark of a NICMAR University graduate.

iii. Managerial Skills

Managerial Skills workshops are an important part of the curriculum. These workshops equip the students with managerial communication, presentation, team management, career management and other soft skills. They gain hands-on experience so as to acquire the following skills:

- Managerial communication and people skills.
- Cross-cultural communication and communication at work.
- Interview skills, group discussion and career development skills.
- Team management, negotiation, problem solving and other essential soft skills.
- Skills in understanding the socio-political state of projects and groups.

Group assignments, audio-visual presentations, mock sessions, visits to labour colonies, understanding work in government offices, and formal social events are some of the highlights of the managerial skills workshop.

iv. Project Work

Each student will work on a project and prepare a project report on a topic assigned to him/her. The project topics should be decided before the start of the second semester and approved by the University. This work is to be done after class hours and is expected to take at least 120 hours. The project report is to be submitted by the end of the second semester.

PEDAGOGY

NICMAR University, Pune believes that the method of instruction may vary from course to course; therefore, it uses a host of pedagogical approaches such as case studies, lectures, group and individual exercises, class projects, studio, flip classes and simulation to enrich the overall programme delivery. Further, site and field visit, study tours, and expert talks are organized across different courses.
The total credits may be further classified into Lecture (L), Tutorial (T), and Practical (P). In the lecture sessions, students are familiarized with the course's concepts and knowledge. The tutorial components help students better understand the concepts through problem-solving, case analysis, or hands-on practice. The practical component is designed for exclusive hands-on training

ASSESSMENT

Course Evaluation

The course evaluation comprises two parts: The semester-end examination and the internal assessment. The weightage for the same is given below.

Evaluation	Weightage (%)
Term End Examination	50
Continuous Internal Assessment (CIA)	50

The term end examination is only for courses with an L component and shall be of 1 or 2 hours long.

Continuous Internal Assessment (CIA)

Continuous Internal assessment (CIA) is the continuous evaluation of a candidate's performance throughout the course and is conducted by the concerned faculty member. For a course with a Term-end examination, 50% weightage is assigned to the internal evaluation. This internal evaluation of candidates shall be carried out by at least three components, of which the Unit test component is mandatory. For all courses, the Unit test will carry 40% weightage of marks (20 Marks). This will be conducted during the tenth week of the semester, and the syllabus will cover material up to that point. The fifth week of the semester will be Internal Assessment 1 (IA1), and the last week of the term will be Internal Assessment 2 (IA2). The syllabus for IA1 will run until the fifth week, and the syllabus for IA2 will run from the Unit test until the last week of the semester (i.e., 15th week). For IA1 and IA2, the faculty can select any of the following components.
The IA1 and IA2 may have the following components:

- Class-participation
- Case analysis and presentation
- Quizzes/ Class test/Surprise test/Assignments (announced/unannounced)
- Term papers/Decision sheets/Project reports
- Research Paper Presentations/Viva
- Individual assignments/Group assignments/Presentations/Decision sheets
- Field project
- Role Play/Simulation
- Any other school/program/course-specific component

Failure Cases

NICMAR University's programmes are highly demanding, and students of a high caliber are admitted through a rigorous evaluation. Consequently, every student is expected to complete the procedure in all

subjects and submit their project work promptly unless there are legitimate grounds for delay. A student is declared 'Pass' in a course if they score at least 40% marks in internal and semester-end examinations individually.
If any student fails to obtain the minimum passing marks in the internal or semester-end examination, they will be declared fail. Such a student will have to reappear for the examination by paying the re-examination fee of Rs. 2000/- per course and obtaining the minimum passing marks to qualify.Similarly, non-submission of project work on time is not acceptable. A candidate is not considered to have completed the programme unless they submit the project report, which is judged satisfactory by the guide and awarded the required ratings by the examiner/s appointed for the purpose.

If the students wish to have their examination paper (s) re-evaluated, this can be done on payment of the re-evalution fee of Rs. 1000/- per course.

Grading System

Evaluation will be done on a semester basis. A Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) will be calculated at the end of every semester. Students should complete all courses to meet the program requirements.

Award

On successful completion of all the pre requisite requirements, the eligible student will be awarded the entitled with specialization if any.

Policy for Multiple Entry and Exit in Academic Programs

To bring major reforms in the Higher Education System, National Education Policy (NEP) 2020 has provided a system of multiple entry and exit in academic programs. In this system the students shall be free to choose their programs and academic pathways in Higher Education that will support the Academic Bank of Credit (ABC). Multiple Entry and Exit System (MEES) are the fundamental recommendations of University Grants Commission (UGC), to encourage flexible learning in Higher Education Institutions (HEIs) which is important for lifelong learning of the students and to choose their academic path leading to the award of certificate, diploma and degree. Keeping the spirit of NEP 2020, our programme provides an opportunity to student to exit after one year with a post graduate diploma, provided the student has fulfilled the minimum credit requirements as per NEP 2020. **DIRECT** entry to the second year is possible based on the evaluation of documentary evidence (including the academic
record). This is further subjected to a student meeting programme admission regulations and minimum equivalence credits with NICMAR programme. Students completing a four-year Bachelor's programme with Honours/Research, may also be admitted to the second year of the Master's programme subject to fulfilment of above conditions.
