Message from Director General

"Give the youth a proper environment. Motivate them. Extend them the support they need. Each one of them has infinite source of energy. They will deliver." Dhirubhai Ambani.

Aligned with the quote above, considering the robust connection between the construction industry and India's robust GDP growth, the sector must elevate the skills of its workforce and strive for upskilling. Hyderabad's construction sector is witnessing a significant boom, with numerous infrastructure projects reshaping the city's skyline. Armed with innovative ideas and technological prowess, today's youth play a pivotal role in harnessing this potential. They serve as a powerful medium for implementing sustainable practices, adopting cutting-edge technologies like BIM, and promoting green construction methods, ensuring that Hyderabad's development is rapid and environmentally responsible.

The CRIP industry in India, encompassing Construction, Real Estate, Infrastructure, and Project sectors, stands as a dynamic and crucial driver of the country's economic growth. This sector has witnessed substantial expansion in recent years with a rapidly urbanising population and a growing focus on infrastructure development. It contributes to employment generation, foreign investments, and overall economic progress. Over the last decade, India's construction sector, including infrastructure and real estate, achieved an impressive 11% CAGR. This sector and real estate services and dwelling ownership contribute to 18% of India's total economic output. This evolution propels the sector towards greater productivity, sustainability, and competitiveness.

NICMAR's Hyderabad campus, established in 1999, has led construction and infrastructure transformation. In 2016, the campus relocated to a 31-acre site in Shamirpet, fostering an ideal academic environment amidst lush green fields. The campus offers a diverse array of programmes, including postgraduate studies in Advanced Construction Management; Advanced Project Management; Logistics and Supply Chain Management; Quantity Surveying and Contract Management; Health, Safety and Environment Management with over a 4000 professional alumni network. This expansion underscores NICMAR's commitment to providing students with the perfect setting for academic excellence and helping them pursue their goals with relentless zest.

It also reflects NICMAR's commitment to providing a conducive setting for academic excellence, ensuring that students are well-equipped to thrive in the ever-evolving construction and infrastructure landscape. The outstanding scholarship students at the campus are proof of NICMAR's commitment to imparting state-of-the-art academic knowledge and giving students an edge in pursuing their goals and aiming for career advancement.

As we near the conclusion of yet another year, may the radiance of wisdom illuminate your educational voyage and steer you towards even more remarkable achievements. Wishing you and your dear ones a joyous New Year filled with happiness and prosperity.

Dr. Anil Kashyap, (President & Chancellor NICMAR) says, *"With great pride and joy, we offer our heartfelt congratulations to every scholarship recipient at NICMAR. Your exceptional achievement in securing scholarships reflects your dedication, hard work, and unwavering commitment to academic pursuits, truly setting you apart."*

Events

Faculty and students in traditional attire

Onam Celebration 6th September 2023

Students enthusiastically embraced the Onam celebration, showcasing a beautiful floral rangoli. The festivities featured traditional events like tug of war and utti breaking. Everyone, including students, staff, teachers, and industry representatives undergoing training at the NICMAR Hyderabad campus, enjoyed a lavish Onam Sadhya (traditional Kerala lunch served on a banana leaf). Here are a few glimpses of the vibrant and spirited celebrations.

Floral rangoli by students

Students enacting as God Mahabali and Vamana, recreated the story of Mahabali

Students enjoying tug of war in traditional attire

Students dancing to the tune of chendamelam (band of traditional musical instruments from Kerala)

Students and staff enjoying the Sadya, a multi-course meal served on banana leaves, is one of the biggest highlights of Onam

Sports Day 2023

The NICMAR Hyderabad campus celebrated Sports Day in honour of the birth anniversary of the hockey legend Major Dhyhan Chand Singh. Students enthusiastically took part in a range of events organised for the occasion, including carrom, chess, table tennis, box cricket, and volleyball.

Site visit by ACM students opted for Elective-Real Estate Development

28th September 2023

Under the course curriculum for the elective course 'Real Estate Development Process,' a site visit was organised for ACM Batch 36, Year II students on 28/08/2023. The visit focused on the land development project titled "Shilpa Whistling Woods, Shamirpet, Hyderabad," covering a 124-acre residential farmland development with 167 plots of 1/2 acre and 1 acre. The objective of the site visit was to offer students practical insights into plans and strategies for land Estate.

Viewing of Chandrayaan 3 landing

23rd August 2023

Dr. Mahesh Balasubramani coordinated a viewing of the Chandrayaan – III moon landing at the Athulyam TV Room on Wednesday, 23rd August, from 5:20 PM to 6:20 PM. Faculty members, staff, and students enthusiastically participated, coming together to witness and celebrate this historic achievement by the Indian scientific community.

Ganesh Chaturthi Celebration

6th September 2023

The Ganesh Festival Celebration at NICMAR, Hyderabad in 2023 was a three-day event that seamlessly blended tradition, spirituality, environmental consciousness, and managerial skill development among students. The celebration began with the main pooja and homam at 7:30 am on September 19th, creating a spiritually uplifting atmosphere. The evening saw ACM-36 leading a pooja at 5:30 pm, maintaining the religious fervour. Day two began with another morning pooja at 7:30 am, followed by a heart-warming annadhanam at 12:40 pm in the mess hall. The evening of the same day featured a pooja conducted by QSCM and HSEM at 5:30 pm, symbolizing unity and inclusiveness. Finally, on September 21st, the third and final day of the celebration, a grand pooja, utti, and visarjan ceremony commenced at 2:00 pm, marking the climax of the festival.

Teachers' Day

5th September 2023

The Student Council of the National Institute of Construction Management and Research (NICMAR) in Hyderabad joined forces to celebrate Teachers' Day on the 5th of September 2023. Teachers' Day is a special occasion for students to convey their gratitude and appreciation for the teachers who are crucial in shaping their lives and future careers. The student council organised and executed the event, planning various activities and programmes to ensure a memorable day for the teaching staff.

The celebration commenced with a warm welcome for the teachers at the auditorium. Cultural activities, including music, dances, and songs, were incorporated into the festivities, showcasing the diverse talents of NICMAR students. The celebration concluded with a heartfelt vote of thanks from the student council to all the teachers. In return, the teachers appreciated the students' efforts and affection.

Installation of Student Council 2023-24

4th October 2023

The National Institute of Construction Management and Research (NICMAR) in Hyderabad experienced a significant event on October 4, 2023. During a poignant Candle Passing Ceremony, the Senior Student Council members handed over the torch, quite literally in the form of candles, to their junior counterparts. This ceremony held special significance as it marked the leadership transition within the NICMAR Student Council.

The outgoing Senior Student Council members relinquished their roles and responsibilities, symbolizing the passing of the leadership baton and sharing the invaluable experience gained with the juniors. Each holding a candle, the Senior Student Council members formed a semi-circle. One by one, they ignited their candles from the central flame, passing the light along as a symbol of transferring responsibilities, experiences, and knowledge.

The Junior Student Council members received the candles from their senior counterparts, signifying their readiness to assume new roles. This touching act conveyed the seamless transition of leadership within the student council. As the candles passed and the torch of leadership transitioned, the ceremony concluded with unity and continuity.

Students, faculty, and staff gathered for a cake-cutting event and a small feast to celebrate this important moment. Laughter and camaraderie filled the room as they shared snacks, symbolising the strength of the NICMAR community.

Bathukamma & Dandiya Event

19th October 2023

The festive celebrations of the Bathukamma event at NICMAR Hyderabad on October 19, 2023, orchestrated by the NICMAR Student Council, proved to be a remarkable triumph. This occasion stood as a testament to the vibrant culture and traditions of Telangana, showcasing the unity and enthusiasm within the NICMAR community. The event seamlessly integrated rituals, dance, music, and cultural performances, leaving an enduring sense of joy and camaraderie among all participants. Noteworthy highlights encompassed Bathukamma flower decorations, Goddess Durga puja, cultural programs, and Garbha dance. Once again, the NICMAR Hyderabad campus transformed into a center of cultural richness and festivity, crafting an unforgettable evening for all in attendance.

Scholarship Ceremony

18th October 2023

The NICMAR Hyderabad Scholarship ceremony 2023, held in the auditorium on October 18, 2023, honoured scholarship awardees. The function was presided over by Director General Prof Anil Kashyap, with the presence of all faculties and students. Prof KCS Rao and Smt Parvati Memorial Scholarships were awarded to Ms Choudhari Nilashri Ghanshyam Roopali and Ms Aiman Fatima (ACM 34th batch), Mr Kulkarni Sumit Vijay and Mr Poojesh A (ACM 35th batch).

During the ceremony, NICMAR Gold medallist Shwetha Y R (PEM 4th Batch) and NICMAR Silver medallists Mr Debaditya (ACM 35th batch), Mr Uday Kiran (QSCM 19th batch), Mr Deepak Thapliyal (HSEM 20th batch), Mr Kailash Nath (LSCM 1st batch) were felicitated. NICMAR Top rankers' scholarships were presented to students who scored more than 80% in their 10th, 12th, and Graduation. Director General Prof Anil Kashyap addressed the function, congratulating the awardees.

Guest Lectures

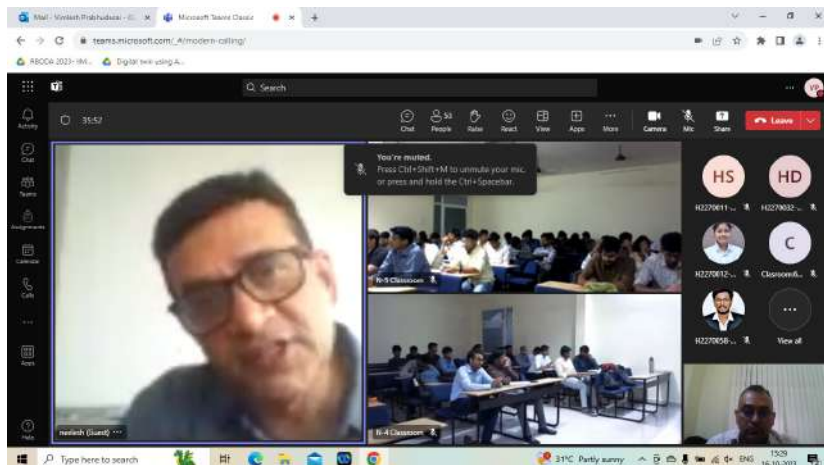

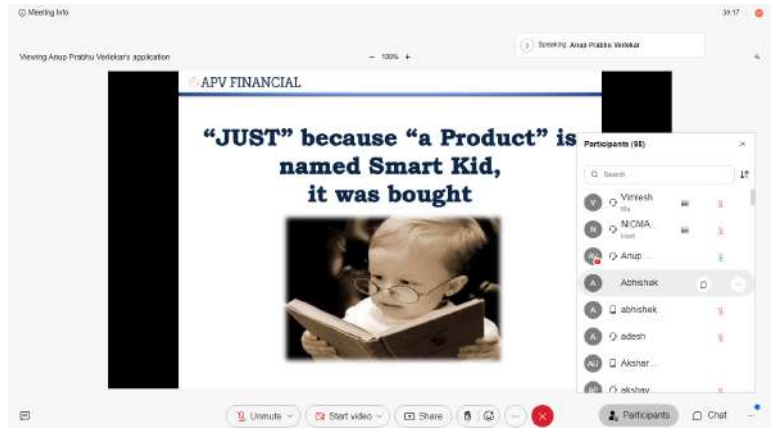

Webinar on Financial Planning and Wealth Management

13th September 2023

On the 13th of September 2023, the student club MarkIt organised an informative and insightful webinar on Financial Planning and Wealth Management. The session was conducted by Mr. Anup Prabhu Verlekar, a Certified Financial Planner with extensive expertise from his boutique financial advisory firm, specialising in financial planning and wealth management for individuals and corporations. The webinar attracted attendance from students, as well as teaching and non-teaching staff.

During the webinar, participants enjoyed a comprehensive overview of the intricacies of financial planning and wealth management. Mr. Verlekar's expertise was evident as he discussed various strategies for optimising financial health, managing investments, and achieving long-term financial goals. His ability to simplify complex financial concepts made the session accessible and engaging for all attendees. Real-world examples and case studies provided practical guidance that can be immediately applied. The event has equipped attendees with the tools and understanding necessary to embark on their financial journeys confidently and purpose, ensuring a brighter financial future for all. The attendees had their doubts clarified during an enlightening and enriching Q&A session at the end.

Webinar on Careers in the World of Finance

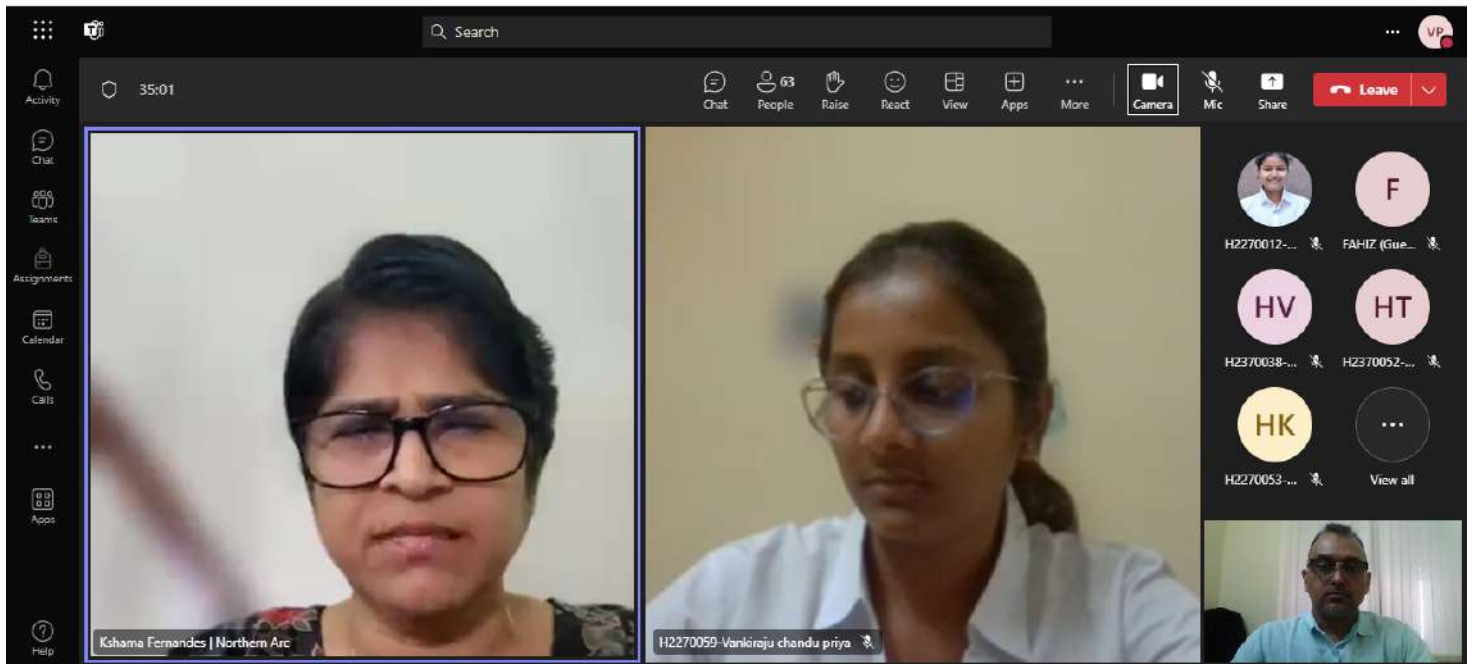

16th October 2023

The Student Club MarkIT organised a webinar featuring Dr. Neelesh Vernekar, CEO of IL&FS Infra Asset Management Ltd., on 'Careers in the World of Finance' on the 16th of October 2023. Dr. Neelesh Vernekar holds a PhD in Finance and Economics from IIT (Bombay), GIM, and Goa Engineering College, boasting over 25 years of extensive experience in Corporate and Investment Banking in both international and national private banks, including Standard Chartered Bank and Axis Bank.

His expertise covers corporate and project finances, leverage finance, capital markets, private credit, and investment banking across mid-market, local, and MNC companies. The webinar delivered valuable insights into the finance industry, making a lasting impact on the aspiring professionals in attendance. Dr. Neelesh Vernekar's wealth of experience and expertise illuminated various facets of finance, covering investment strategies to risk management and providing a comprehensive overview of career opportunities in wholesale banking, retail banking, investment banking, credit, stock market, asset restructuring, and more.

Webinar on Empowering tomorrow's builders: A journey towards Financial Inclusion

18th October 2023

The Student Club MarkIT organised a webinar featuring Dr. Kshama Fernandes, Vice Chairperson of the Northern Arc Group, discussing 'Empowering Tomorrow's Builders: A journey towards Financial Inclusion' on the 18th of October 2023. Holding a PhD and an MBA from Goa University, Dr. Kshama Fernandes brings over 25 years of extensive experience in management, risk advisory, and academia. Formerly a Professor at the Goa Institute of Management, she served as the MD & CEO of Northern Arc Capital from 2012 to 2022. Dr. Kshama Fernandes, recognised with Accion's Edward W Claugus award for leadership in Financial Inclusion, was also featured by FMO as a role model in banking.

The informative and engaging session gave students valuable insights into the financial inclusion sector. Dr. Kshama Fernandes highlighted the significance of financial inclusion as a catalyst for socio-economic growth. She discussed how enabling access to financial services for underserved communities can transform lives and drive development. Encouraging young professionals to actively participate in initiatives promoting financial inclusion, Dr. Fernandes acknowledged their potential to drive positive change.

Lecture on Industrial Safety

04th October 2023

On October 4, 2023, Mr. Srikanth G, Senior Manager of Environmental Health and Safety (EHS) for the South Region at Bluestar, visited the NICMAR Hyderabad campus. During his visit, he delivered a lecture on Industrial Safety. The event saw active participation and interaction from students enrolled in PGPACM, QSCM, and HSEM, allowing them to gain valuable insights into the field of safety.

Mr. Srikanth G – Sr. Manager EHS South Region delivering his lecture on "Industrial Safety" at NICMAR, Hyderabad

Lecture on career opportunities in Real Estate industry

09th October 2023

On 09/10/2023, NICMAR Hyderabad hosted a guest lecture and placements session conducted by M/s Kalpataru Projects International Ltd., one of India's leading real estate and construction companies. This event aimed to offer students insights into the real estate industry, career prospects, and the placement process at Kalpataru Projects. The guest lecture and placements session by Kalpataru Projects at NICMAR Hyderabad were highly successful, providing students with a comprehensive understanding of the real estate industry, career opportunities, and an opportunity to engage with a key industry player. This event not only strengthened the industry-academia relationship but also equipped students for their future careers in the construction sector.

Lecture on Earned Value Management System

09th October 2023

Mr. Ashish Oberoi, the Project Controls Manager at M/s Bechtel India, delivered an Earned Value Management System (EVMS) lecture on August 7, 2023. The lecture garnered attendance from students across various streams. The students found the lecture informative and engaging, providing a better understanding of how EVMS can be effectively utilised to manage complex projects.

Training and Certification Programme on AEC Project Viewer by Hexagon

09th October 2023

NICMAR Hyderabad's SoExE orchestrated a training and certification initiative on AEC Project Viewer by Hexagon. Dr. Mahesh Balasubramani facilitated collaboration with M/s. Hexagon, enabling students to partake in the programme. The event occurred on October 11, 2023, from 2 to 5 PM. Enthusiastic participation from ACM students showcased their eagerness to gain concurrent insights into 5D BIM and digital construction.

Hexagon's sessions delved into how the 5D BIM process enhances construction project efficiency, emphasizing the role of HxGN Smart Build Insight. Additionally, students had the valuable opportunity to gain hands-on experience with HxGN AEC Project Viewer, enhancing their collaborative skills for project endeavours.

ACM student representation in CIAC-CIDC Conference

06th to 08th October 2023

ACM students from NICMAR Hyderabad, namely Mr. Akshay Kumar Patil, Mr. Sai Sarath Chandra Kaliki, Mr. Mucharla Sai Santosh, and Mr. Sai Sharan, were nominated and represented the institute at the Construction Industry Arbitration Council and Construction Industry Development Conference event. The event took place at SLN Terminus, Gachibowli, Hyderabad, Telangana, India, from the 6th to the 8th of October 2023.

Director General of NICMAR Hyderabad Visits Greenko Group

Professor (Dr.) Anil Kashyap, the Director General of the National Institute of Construction Management and Research (NICMAR), Hyderabad, visited M/s Greenko Group. During the visit, he had a meeting with Shri. Adishesu Gopalam, the Chief Operating Officer (COO), will discuss potential strategic partnerships in sustainable infrastructure development and management. Other attendees included Dr. Poonam Kashyap, Director of Strategies and External Partnerships, Dr. Sarbesh Mishra, Dean of SoExE P & IR, Mr. Srikar SVS, Assistant Placement Officer, and Mr. Raghavender Yadgirkar, Manager – HR at Greenko Group.

Placements

We are thrilled to share the remarkable success stories of our talented students who have secured prestigious placement offers from renowned companies, bringing immense pride to our institution. These outstanding achievements underscore our commitment to nurturing talent and providing a conducive learning environment.

Aarvee Associates, a leading industry name, has selected two of our students. Additionally, two students have earned placement offers from Chamberz International, a Singapore-based company. CBRE Group, a giant in the real estate sector, has extended offers to two of our students. Bechtel Ltd., a significant player in the engineering and construction industry, has provided a pre-placement offer to one of our students. Kalpataru Projects International has acknowledged the talents of ten of our students, and L&T Constructions, a prominent name in the industry, has extended offers to four candidates.

This multi-fold achievement reinforces our commitment to producing industry-ready professionals who meet the high standards set by renowned companies. We extend our heartfelt congratulations to these students for their hard work, dedication, and commitment, which have earned them these outstanding opportunities. They serve as a source of inspiration for their peers and reflect the quality education and training we provide.

These achievements are just the beginning, and we believe many more milestones await our students. Our institution remains dedicated to nurturing talents and providing the best resources to enable our students to excel in their chosen fields.

Placement Statistics (As on 20 Oct 2023)

A total of
32.81%
 of the PGPACM batch is
 successfully placed

₹9.00 LPA
 Highest CTC offered
 to the students

(CTC doesn't include additional benefits
 like accommodation, transportation, food etc.)

Few Multinational Companies participated till date: M/s Chamberz International PTE, M/s CBRE Group, M/s Bechtel Ltd, M/s Kalpataru Projects International Ltd., and many others.

Mean CTC of the students placed **₹ 8.00 LPA***

*Significant companies with national and international presence are lined-up and in the near future. Henceforth the Mean CTC may slightly vary upwards after completion of the batch placements.

Faculty External Engagement

Speaker at CIAC Conference

8th October 2023

Prof. Prashanth Kumar Sreram and Prof. Raja Sekhar Mamillapalli were invited to present individual sessions at the "Managing and Resolving Construction Disputes through Arbitral Institutions" conference organised by the Construction Industry Arbitration Council and Construction Industry Development Conference. Their respective topics were "Managing Disputes through FIDIC Contracts" and "Construction Professionals Incubation Center & Developments." The event occurred from the 6th to the 8th of October 2023 at SLN Terminus, Gachibowli, Hyderabad, Telangana, India.

FIDIC contracts, recognised globally as standards in the construction and engineering domain, were

a focal point of discussion. The session aimed to elucidate the intricacies of dispute prevention and resolution mechanisms within FIDIC contracts, contributing to an enhanced understanding of managing disputes the FIDIC way.

Visiting Faculty at School of Planning and Architecture, Vijayawada, Andhra Pradesh

Dr. Mahesh Balasubramani was invited as a visiting faculty member at the Department of Architecture, School of Planning and Architecture, Vijayawada, Andhra Pradesh, for the academic year 2023-2024, contributing to the Masters in Building Engineering & Management Programme.

Meet the mind behind the design of logo

Team NICMAR Hyderabad Newsletter extend their heartfelt **Congratulations** to Prof. V Srihari, Dean - School of Energy and Clean Technology for his suggestion on the title of NICMAR Hyderabad Newsletter.  means 'Construction' in Sanskrit. The letter 'N' embodies the essence of NICMAR brand while the letter 'M' resembles the world famous heritage, Hyderabad's iconic Charminar. Among the five suggestions received,  stood out as it encapsulated Institute's spirit and seamlessly integrated the cultural tapestry of Hyderabad. The meticulous attention to details is evident from distinctive representation of 'N' and symbolic depiction of 'M'. The thoughtful approach in incorporating these elements reflects not only creativity but also a deep understanding of both NICMAR and the vibrant city it resides in.

Once again, Congratulations! Prof. V Srihari
