

## EVENTS OF NICMAR HYDERABAD AY:2024-2025

### Vinayak Chavithi: Sept 2024

The event began with the installation of Lord Ganesha's idol, followed by pooja, cultural activities, and prasadam distribution. The celebration concluded with the Nimajjanam (immersion ceremony), conducted with great devotion and a vibrant procession.

In a spirited celebration of culture, tradition, and intellectual growth, our college came alive with the festivities of Vinayaka Chavithi, Onam, Bathukamma, and Library Week.

These events were not just celebrations but a vibrant platform for students to connect with heritage, showcase their creativity, and nurture a love for learning. The colourful festivities of Vinayak Chavithi and Bathukamma, the harmonious unity of Onam, and the dynamic activities of Library Week created an unforgettable experience, fostering camaraderie, pride, and inspiration.

### Onam:18<sup>th</sup> Sept 2024

The festival highlighted Kerala's cultural heritage with a pookalam (floral rangoli) competition, traditional dance performances, and a festive Onam feast, fostering unity and joy.

## **IGBC Inauguration (25th Sept 2024)**

The inauguration of IGBC (Indian Green Building Council) at NICMAR University is a significant event that sparks immense interest among students, particularly those passionate about sustainable construction and green initiatives. This formal gathering is not just a

ceremony but an opportunity for students to engage with leading professionals and experts in the field, setting a strong foundation for their future careers. Students typically arrive with a keen sense of curiosity, eager to learn and network.

For many students, attending the IGBC inauguration marks their official foray into the practical aspects and industry connections within the sustainable construction sector. They attentively listen to speeches from dignitaries, absorb insights on green building trends, and participate in interactive sessions. This exposure to cutting-edge information and the opportunity to interact with industry stalwarts provides a powerful learning experience that extends beyond the classroom, inspiring them to contribute to a greener future.

The inauguration often includes presentations on innovative green building projects, discussions on environmental stewardship, and a platform for students to ask questions and share their perspectives. Students actively participate in these dialogues, demonstrating their commitment to sustainable practices. The event culminates in a sense of excitement and motivation, as students feel more connected to the broader mission of creating environmentally responsible infrastructure, solidifying their academic and professional aspirations.

### **Bathukamma:09<sup>th</sup> oct 2024**

Telangana's rich traditions were celebrated through the creation of colourful Bathukamma flower arrangements, accompanied by folk songs and dances, concluding with an immersion ceremony.

This celebration provides a wonderful opportunity for students, especially those from Telangana, to share their traditions and for others to experience a rich cultural tapestry. Dressed in traditional attire, often bright sarees, students gather around the Bathukamma, singing folk songs specific to the festival. The collective singing and dancing around the floral deities create an atmosphere of pure joy and camaraderie, fostering a strong sense of community and shared heritage among the students.

### **Candle Passing (Sceneries Giving Their Students Council to Juniors) (17/10/2024)**

The Candle Passing ceremony at NICMAR University is a deeply symbolic and emotionally significant event, marking a transfer of knowledge, wisdom, and responsibility from the senior (mentors) to their junior counterparts. The ambiance is typically serene and reflective, with soft lighting from flickering candles creating an intimate setting. Students gather with a sense of anticipation, recognizing the profound meaning behind this tradition.

During the ceremony, seniors share their invaluable experiences, offer guidance on navigating academic challenges, provide insights into campus life, and extend words of encouragement to the incoming juniors. The passing of the lit candle from one generation of students to the next symbolizes the continuity of legacy and the shared journey within the NICMAR community. Juniors listen intently, absorbing the advice and feeling a sense of belonging and support from their predecessors.

This event fosters a strong sense of mentorship and camaraderie within the student body. It's a moment of reflection for seniors as they impart their wisdom, and a moment of inspiration for juniors as they receive guidance and feel welcomed into the NICMAR family. The shared light of the candles symbolizes the illumination of paths and the hope for a successful future, creating a powerful and memorable bonding experience that strengthens the fabric of the student community.

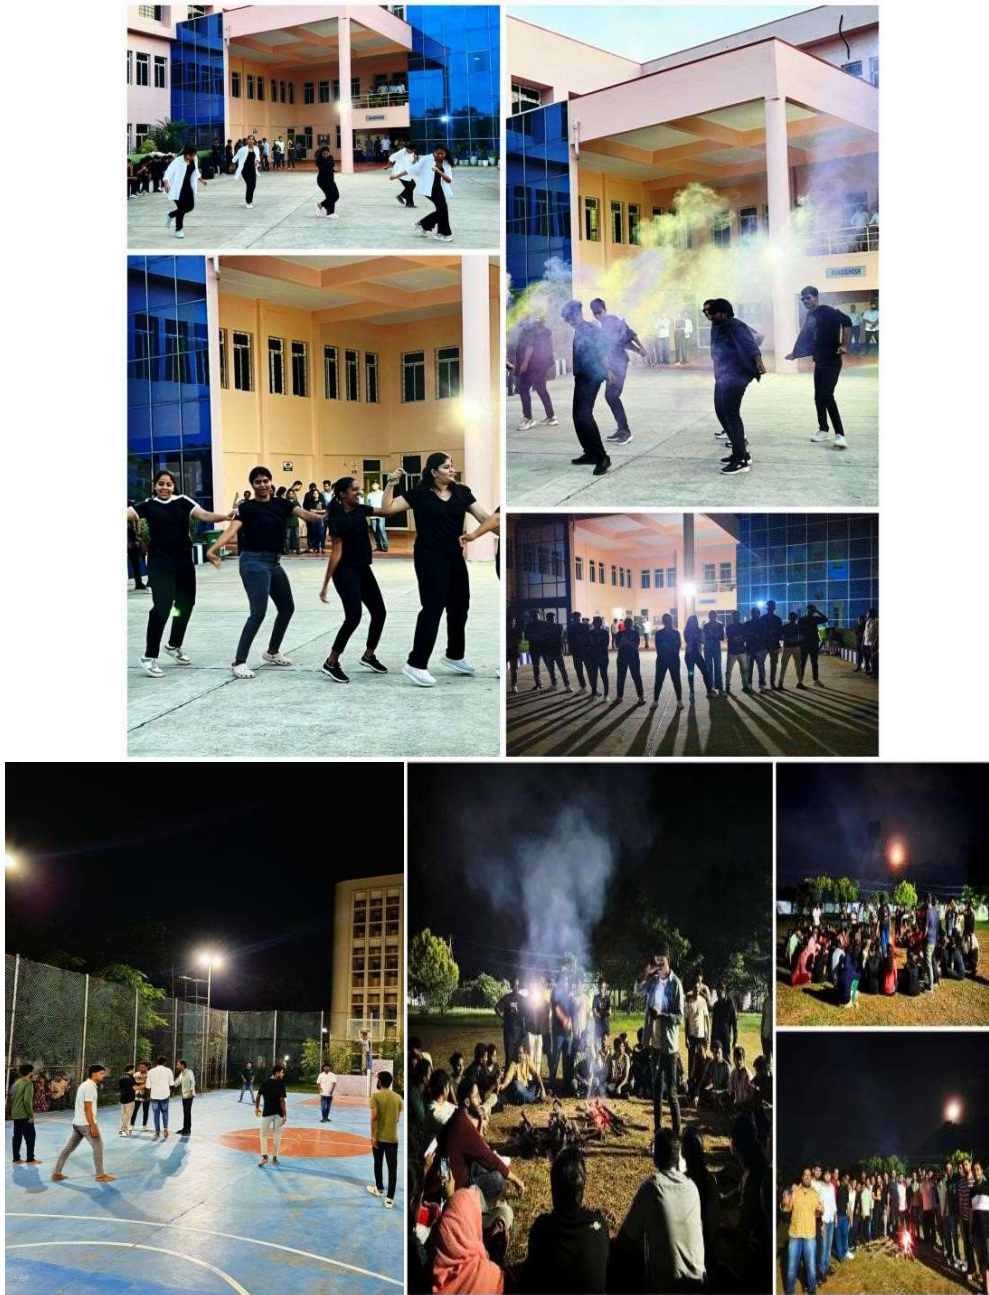

## Aloha-2024: A Vibrant Student Fest at NICMAR Hyderabad

The much-anticipated Aloha-2024 fest hosted by NICMAR Hyderabad's Student Council turned out to be a spectacular showcase of talent, energy, and camaraderie among the students. Spanning three days, from October 21 to October 23, the event brought together participants and spectators for a series of engaging activities that resonated with enthusiasm and creativity.

## Day 1: Setting the Tone with Energy

The festival kick-started on October 21, 2024, with a vibrant flash mob at 4:30 PM, instantly energizing the campus atmosphere. Students showcased their dance moves, drawing cheers and setting the stage for an exciting evening. Following this, the traditional game of Lagori brought a mix of nostalgia and competitive spirit. The day concluded with a heart-warming campfire, featuring an open stage for karaoke and performances, which created a perfect ambiance for bonding and relaxation.

## Day 2: Games, Art, and Thrill

The second day, October 22, was a testament to teamwork and creativity. Activities began with thrilling rounds of Thug of War and an adventurous Treasure Hunt that had students working together to solve clues. A unique Panipuri Challenge added a quirky flavour to the day, with participants racing to devour their favourite Indian snack. The evening saw a burst of creativity with face painting and painting contests, where students transformed canvases and faces into works of art. Wrapping up the day were fun-filled indoor games, including Tambola, Ludo, and exhilarating esports matches like COD and PUBG, keeping the crowd engaged till late evening.

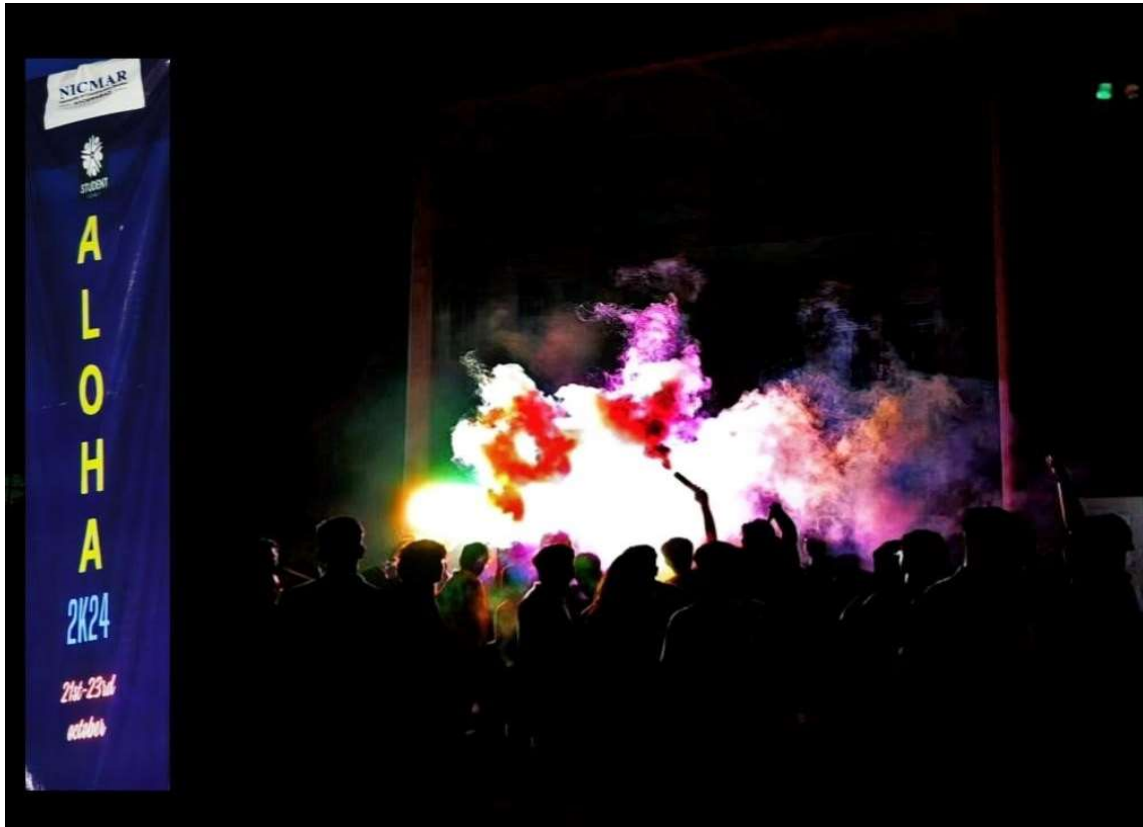

### Day 3: Grace and Talent Shine

The final day, October 23, celebrated talent and grace. A dance competition, featuring both solo and group performances, had the audience mesmerized by the participants' moves. Following this was the playful yet challenging Blindfold game, which elicited laughter and excitement. The festival concluded on a high note with an elegant ramp walk, where students showcased their fashion sense and confidence.

## A Celebration of Togetherness

Aloha-2024 was more than just a series of events—it was a celebration of togetherness and shared experiences. Students from diverse backgrounds came together, highlighting the vibrant culture of NICMAR Hyderabad. The well-organized schedule ensured seamless transitions between events, keeping the energy alive throughout.

As the festival concluded, it left behind memories of joy, laughter, and unity, promising to remain a cherished highlight of the academic year. NICMAR Hyderabad once again proved that its students excel not only in academics but also in creating an inclusive and lively campus culture.

## Blood Donation for Telangana (TG) Police on 22 Oct 2024

The Blood Donation drive at NICMAR University, specifically organized to support the police force, is a testament to the students' strong sense of civic responsibility and altruism. This event sees students queuing up voluntarily, demonstrating their commitment to contributing to societal well-being. The atmosphere, while serious in its purpose, is also filled with a shared sense of purpose and camaraderie as students encourage each other in this noble cause.

Participating in a blood donation camp provides students with a direct and impactful way to give back to the community and support those who protect them. They understand the critical need for blood and the positive difference their contribution can make in saving lives. The event often features medical professionals guiding them through the process, ensuring a safe and comfortable experience, and reinforcing the importance of such humanitarian efforts.

This initiative goes beyond just donating blood; it instils a deeper understanding of social responsibility and empathy among the students. It's an opportunity for them to realize the collective power of their actions and the positive ripple effect it can have. The shared experience of contributing to a vital community service fosters a strong sense of unity and pride, making the blood donation drive a meaningful and impactful event for the NICMAR student body.

## Pre-Christmas Celebration at NICMAR University Hyderabad 18/12/2024

### **Student Participation**

As part of the celebration, a student dressed up as Santa Claus, adding to the festive atmosphere. The "Santa" distributed tasks to students, promoting teamwork and camaraderie. Students actively participated in the event, showcasing their creativity and enthusiasm.

The highlight of the event was the cake-cutting ceremony, attended by all faculty members. The ceremony symbolized the joy and togetherness of the NICMAR University community during the holiday season.

The university was decorated with colourful lights, decorations, and a Christmas tree, creating a festive ambiance. The atmosphere was filled with joy, laughter, and music, making the event a memorable one. The Christmas celebration at NICMAR University Hyderabad was a resounding success, filled with joy, laughter, and festive cheer. The event reinforced the university's commitment to fostering a sense of community and promoting values of kindness, compassion, and unity.

## Friendly Cricket Match at NICMAR University Hyderabad

A thrilling cricket match was held at NICMAR University Hyderabad, pitting senior students against faculty members. The event was a huge success, fostering camaraderie and teamwork between students and faculty.

The excitement doesn't stop here! The university has announced a series of upcoming cricket matches, featuring teams from various sections. These teams will compete against faculty members, promising even more thrilling matches and opportunities for bonding.

These friendly cricket matches are an excellent way to promote campus spirit, encourage teamwork, and develop a sense of community among students and faculty. NICMAR University Hyderabad is committed to providing a holistic education experience that goes beyond academics.

## Pongal Celebrations (January 9, 2025)

On January 9, 2025, NICMAR Hyderabad celebrated Makar Sankranti with great enthusiasm. The event started with a rangoli competition, where students created colourful designs. This was followed by kite flying, adding excitement as students competed to keep their kites in the sky. Fun activities like pot-breaking, tug-of-war, and musical chairs kept the festive spirit alive. Students dressed in traditional attire, making the event even more vibrant.

A special Sankranti feast was arranged, featuring delicious traditional foods. Faculty members shared the importance of the festival, making it both fun and educational. The celebration ended with a group dance and music session, where students enjoyed dancing to festive tunes. Overall, it was a joyful and memorable event, bringing everyone together in the festive spirit.

## Spirit (A Sports Fest) Feb 24 ,2025

"Spirit" at NICMAR University is the eagerly awaited annual sports fest, a high-octane event that ignites competitive passion and showcases athletic prowess across the campus. The entire university buzzes with anticipation as students form teams, train rigorously, and prepare to battle it out in various sporting disciplines. The atmosphere is charged with energy, camaraderie, and the thrill of competition.

During Spirit, students fully immerse themselves in a wide array of sports, from football and basketball to volleyball, athletics, and indoor games. They passionately represent their teams, demonstrating exceptional teamwork, sportsmanship, and determination. The sidelines are typically packed with cheering spectators – fellow students, faculty, and staff – creating an electrifying environment filled with shouts of encouragement and applause for every good play.

This sports fest is more than just games; it's a celebration of physical fitness, mental resilience, and team spirit. It provides students with a crucial outlet to de-stress, build leadership skills, and forge stronger bonds with their peers. The shared victories and defeats, the intense moments of competition, and the collective joy of participating make Spirit a truly unforgettable experience, fostering a culture of health, sportsmanship, and vibrant university life.

# Innerv 2025 Festival Report

INNERVE 2025 is proudly hosted by NICMAR University of Construction Studies, Hyderabad, an esteemed institute specializing in construction management and infrastructure education. The Student Council plays a pivotal role in orchestrating this event, demonstrating remarkable leadership, meticulous planning, and organizational excellence. Their commitment ensures a flawlessly executed festival delivering a vibrant and engaging experience to all attendees.

The vision for INNERVE 2025 centres on nurturing student creativity and talent beyond academics, promoting unity, healthy competition, and cross-disciplinary collaboration within the university community. This festival aims to empower students by offering platforms for expression and teamwork, thereby cultivating confidence, leadership capabilities, and social engagement. With participation from faculty, alumni, and esteemed guests, INNERVE 2025 also seeks to strengthen the bond between various university stakeholders.

Embracing innovation and evolving student interests, this edition of INNERVE includes novel activities designed to resonate with contemporary student culture while maintaining the tradition of entertainment and intellectual engagement. The festival thus encapsulates a holistic approach to student development and community spirit.

## Festival Details: Name, Dates, and Venue

Officially titled INNERVE 2025, the festival is scheduled for two consecutive days: March 19th (Wednesday) and March 20th (Thursday), 2025. The events unfold within the NICMAR University campus in Hyderabad, providing a familiar yet energizing environment for participants

**NICMAR**  
University of Construction Studies  
— HYDERABAD —

WE ARE DELIGHTED TO  
INVITE YOU TO

**19th & 20th MARCH 2025**

This fest will feature an array of exciting activities,  
competitions, and performances, showcasing the creativity and  
talents of our students.

Your esteemed presence as our honoured guest would greatly  
inspire and encourage all participants.

**Venue: NICMAR University of Construction Studies,  
Hyderabad**

## Day 1 Schedule Overview - March 19th, 2025

The opening day of INNERVE 2025 sets a dynamic tone with a series of diverse events scheduled to engage the student body from morning to night. The grand ceremonial inauguration commences at 10 AM with the traditional lighting of the lamp, followed by inspiring speeches and cultural performances that highlight the university's ethos.

Early afternoon features the engaging Hidden Trail treasure hunt, designed to challenge students' problem-solving and teamwork abilities.

The artistic segment "Priti Bimb" offers participants a chance to showcase skills in painting, sketching, and face painting, promoting creative expression. The day transitions to dramatic arts with a Skit/Drama competition focusing on social themes and satire, encouraging students to address contemporary issues through performance.

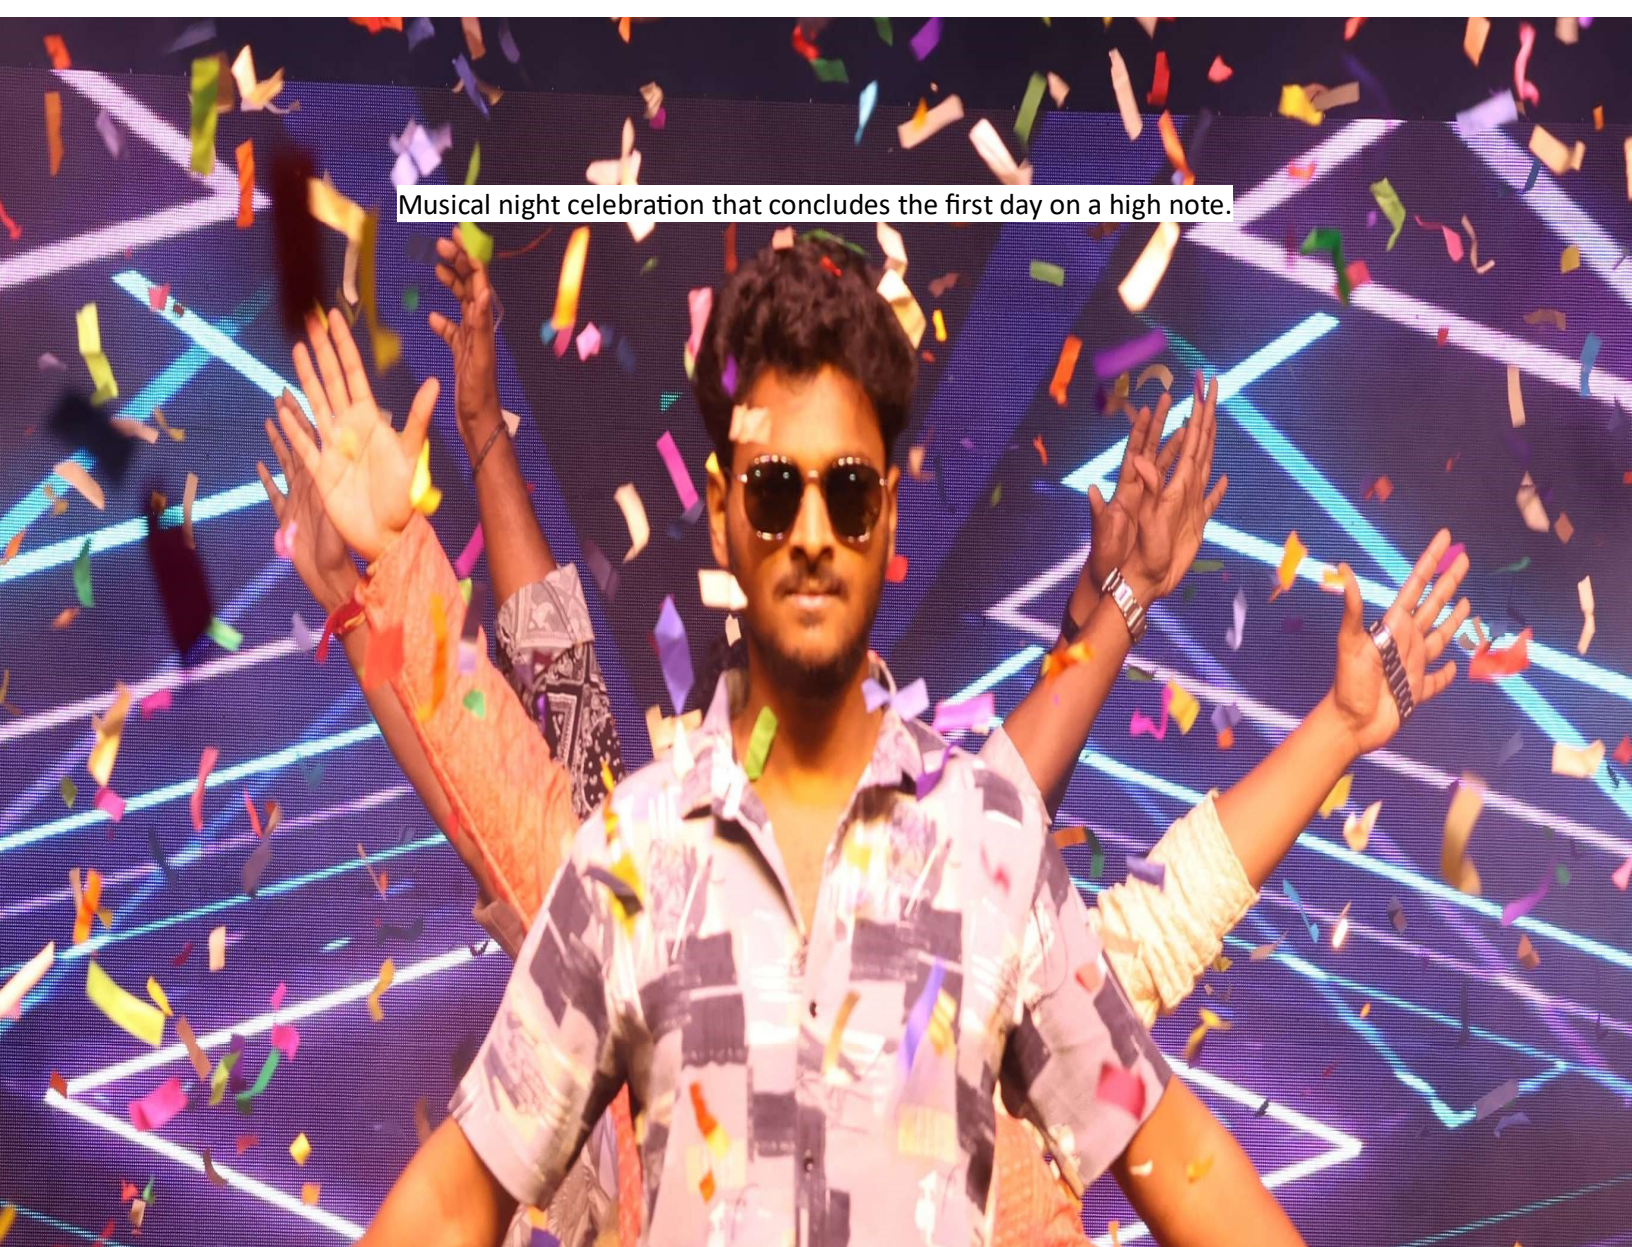

Evening includes the spirit prize distribution acknowledging standout participants

followed by a glamorous ramp walk

Musical night celebration that concludes the first day on a high note.

## Day 2 Schedule Overview - March 20th, 2025

INNERVE 2025 resumes with an engaging lineup of interactive and cultural events to captivate participants and audiences. The day starts at 9:20 AM with the Murder Mystery role-play challenge that hones logical deduction and teamwork skills in a fun, immersive setting.

Following this, students showcase cinematic creativity through competitive photography contest that celebrates visual storytelling.

Light-hearted physical activities like measurement games and musical chairs add a playful dynamic to the midday session. The afternoon quiz, "Movie Quiz," tests participants' knowledge of film culture, bridging entertainment with education

The festival culminates with a musical extravaganza called "Voice Vibes," spotlighting vocal talents in both solo and group formats.

Final awards and certificates are distributed to honour exceptional contributions. The closing "Rhythm Riot" dance competition and subsequent

Musical party ensure a festive and  
memorable conclusion.

## Ramzan (Id-ul-Iftar) on March 25, 2025

The Ramzan Iftar at NICMAR University is a beautiful event that embodies the spirit of community, compassion, and shared blessings, especially during the holy month of Ramadan. As the sun sets, students, faculty, and staff gather together to break their fast, creating a peaceful and inclusive atmosphere. This gathering is a poignant reminder of unity and mutual respect within the diverse university community.

The Iftar provides a wonderful opportunity for Muslim students to observe their religious traditions collectively, while also allowing students of all backgrounds to come together, learn about different cultures, and share in the evening meal. The breaking of the fast is often accompanied by prayers and a sense of gratitude, followed by a delicious spread of traditional foods and beverages. Students engage in heartfelt conversations, fostering deeper bonds of friendship and understanding. This event goes beyond just sharing a meal; it promotes interfaith harmony and strengthens the fabric of the university's diverse student body. It's a moment for reflection, compassion, and extending hospitality, reinforcing the values of empathy and unity. For many students, the Ramzan Iftar at NICMAR creates cherished memories of shared moments, cultural exchange, and a sense of belonging within a supportive academic environment.

## Blood Donation on March 10, 2025

The Blood Donation drive at NICMAR University on April 10th is another commendable initiative that highlights the students' commitment to social welfare and their readiness to contribute to a life-saving cause. The campus typically organizes designated areas for the camp, and students voluntarily arrive, demonstrating a strong sense of responsibility towards the wider community. The atmosphere is one of quiet determination and collective purpose.

Students participate in this humanitarian effort with a clear understanding of the impact their donation can have on someone in need. They undergo the necessary checks and follow the procedures, often encouraging their friends and peers to also participate. This act of altruism allows them to directly contribute to the healthcare system and support those facing medical emergencies, instilling a profound sense of satisfaction and civic duty.

Beyond the direct act of donating blood, such events foster a culture of empathy and social consciousness among the students. It provides a tangible way for them to make a difference and realize the power of collective action in addressing community needs. The shared experience of contributing to a vital public service strengthens camaraderie and reinforces the university's commitment to nurturing well-rounded individuals who are active and responsible citizens.

## Farewell to ACM Batch 37 On March 25, 2025

The Farewell to ACM Batch 37 at NICMAR University is a bittersweet yet joyous occasion, marking the culmination of years of hard work, learning, and shared experiences for the graduating students. The event is typically filled with emotional speeches, nostalgic reflections, and celebratory moments as the juniors bid a fond adieu to their seniors. The atmosphere is a mix of sentimentality and excitement for future endeavours.

Students eagerly participate in organizing and attending this farewell, creating a memorable send-off for their seniors. The event often includes cultural performances, humorous skits, and heartfelt tributes that showcase the journey of the graduating batch. It's a time for seniors to reminisce about their time at NICMAR, share their wisdom with juniors, and express gratitude to their mentors and peers, fostering a strong sense of continuity and legacy within the university.

The farewell serves as a crucial bonding experience, strengthening the alumni network even before the students step out of the university gates. It's a chance for final goodbyes, promises of staying in touch, and well wishes for future success. The collective celebration of achievements and the emotional exchange create lasting memories, reinforcing the strong community spirit that defines the NICMAR student experience as graduates embark on their professional journeys.

## *Report on Seminars at NICMAR University of Construction Studies, Hyderabad Campus*

### **Navigating the Project Management Landscape: Exploring Opportunities with PMI PCC**

**November 13, 2024**

The Project Management Institute (PMI) Pearl City, Hyderabad, in collaboration with NICMAR University of Construction Studies, Hyderabad, hosted a seminar on this date from 2:00 to 3:30 pm. This event focused on navigating the project management landscape and exploring opportunities available through PMI Pearl City Chapter (PCC). The distinguished panel of speakers included Komal Mathur, President of PMI PCC; Manohar Yerraguntla, Vice-president of PMI PCC; and Kalla Lata, Director of Academic Outreach. The seminar aimed to introduce participants to PMI PCC

Held at the Auditorium of NICMAR University of Construction Studies in Hyderabad, the event equipped attendees with essential knowledge and pathways for engaging with the project management community and advancing their professional development.

### **Guest Talk on Entrepreneurship by Sricharan Lakkiraju**

**November 20, 2024**

A guest talk on entrepreneurship was delivered by Sricharan Lakkiraju on this date. This session provided attendees with valuable insights and knowledge related to the field of

entrepreneurship, likely covering aspects such as starting a venture, navigating challenges, and understanding market dynamics.

The expertise shared was beneficial for aspiring entrepreneurs, students, or anyone interested in building and managing a business.

Such guest lectures are crucial for providing real-world perspectives and fostering an entrepreneurial spirit among participants.

## **Guest Talk on ESG - Sustainability by Dr Ramana K R**

**December 4, 2024**

This guest talk focused on Environmental, Social, and Governance (ESG) factors and their role in sustainability. ESG criteria are standards socially conscious investors use to screen potential investments. Environmental criteria consider a company's performance as a steward of nature. Social criteria examine how a company manages relationships with employees, suppliers, customers, and communities.

## **SUSTAINABILITY AND ENVIRONMENT**

**DATE : 04.12.2024**

**Time: 2.00pm to 4.00 pm**  
**Venue : Auditorium, NICMAR Hyderabad Campus**

**Speaker-Dr. K. R. Ramana**

Governance deals with a company's leadership, executive pay, audits, internal controls, and shareholder rights. Dr. Ramana K R discussed how businesses are increasingly evaluated on their ESG performance, driven by growing awareness of climate change, social inequality, and corporate responsibility. The talk likely explored how companies can integrate ESG principles into their operations and the benefits of doing so, such as attracting investment, improving brand reputation, and mitigating risks.

## **Basic of Architect and Design Seminar**

**December 11, 2024**

A seminar on the "Basic of Architect and Design" is scheduled to be held on this date. This educational session will be led by V. Suresh Kumar, indicating a focus on foundational principles and essential aspects within the fields of architecture and design. The subject matter suggests that the seminar is likely geared towards students or individuals aspiring to enter these professions, providing them with a crucial understanding of the core concepts and methodologies that underpin architectural and design practices.

**NICMAR**  
University of Construction Studies  
HYDERABAD

12.12.2024

**BASIC OF  
ARCHITECTURE  
AND DESIGN**

Speaker : V Suresh Kumar  
Principal Architect at VAID Architects

Time : 2.00 PM    Venue : Auditorium, NUCS Hyderabad Campus

Given the topic and speaker, the seminar will probably cover fundamental elements such as design principles, structural considerations, spatial planning, and perhaps an introduction to design software or theoretical frameworks. This event aims to lay a solid groundwork for attendees, offering insights into the creative and technical processes involved in shaping-built environments and designed spaces.

### Presentation on Construction Work Activities

The presentation, titled "Presentation on Construction Work Activities," was delivered by Mr. Suresh Prasad Mishra, General Manager (G.M) in Quality Assurance (QA) and Quality Control (QC). This session likely delved into the methodologies, standards, and best practices involved in overseeing and ensuring the quality of work throughout various phases of construction projects. Given Mr. Mishra's role, the discussion would have covered critical aspects such as material inspection, workmanship standards, process adherence, and the implementation of quality management systems essential for successful and durable construction outcomes.

The presence of the "urbanise" logo suggests that this presentation was either hosted by or strongly affiliated with Urbanise, a prominent real estate developer. This context implies that the seminar was likely aimed at students, industry professionals, or stakeholders within the construction and real estate sectors, providing practical insights into real-world construction challenges and the importance of stringent quality measures in project execution. The session would have served as an educational platform to enhance understanding of operational intricacies and quality assurance protocols vital for efficient and high-quality construction endeavours.

### Value of Quality in Construction Industry

On February 19, 2025, NICMAR University of Construction Studies, Hyderabad, hosted a crucial and insightful talk on the "Value of Quality in Construction Industry." The session, scheduled for 2:00 PM, took place in the well-equipped Auditorium of NUCS Hyderabad Campus, drawing attendees interested in best practices in construction management. The seminar featured Dr. Suresh Prasad Mishra, a distinguished expert whose deep knowledge and experience in quality assurance and control within the engineering and construction sectors promised a comprehensive overview of the subject. This event was strategically organized to highlight that quality is not merely a compliance requirement but a fundamental driver of project success and sustainability.

TALK ON

# VALUE OF QUALITY IN CONSTRUCTION INDUSTRY

Speaker : Dr. SURESH PRASAD MISHRA

19.02.2025

Time : 2.00 PM    Venue : Auditorium, NUCS Hyderabad Campus

**NICMAR**  
University of Construction Studies  
HYDERABAD

Dr. Mishra's presentation likely explored a multifaceted approach to quality, beginning with its definition in the context of large-scale infrastructure projects, through to the implementation of robust Quality Management Systems (QMS) such as ISO 9001 standards. He might have delved into the methodologies for quality planning, assurance, and control, emphasizing the prevention of defects rather than just detection. The discussion could have also covered the financial implications of poor quality, including cost overruns, rework, and reputational damage, alongside the benefits of a strong quality culture such as enhanced safety, increased durability of assets, improved client satisfaction, and greater competitive advantage in the global construction market. The seminar aimed to equip future construction professionals with the mindset and tools necessary to champion quality throughout their careers.

## Transition from Campus to Corporate Seminar

On March 5, 2025, students and aspiring professionals at NICMAR University of Construction Studies, Hyderabad, benefited from an insightful seminar titled "Transition from Campus to Corporate - The Challenges in Carving Out a Career." Commencing at 2:00 PM in the university's main Auditorium, the session was expertly led by Mr. Rajasekhar Kandepu, a seasoned professional known for his profound understanding of career development and the corporate landscape. This talk was meticulously designed to serve as a vital bridge for students, particularly those nearing graduation, helping them navigate the often-daunting leap from academic life into the professional corporate arena.

TALK ON  
**TRANSITION FROM CAMPUS TO  
CORPORATE - THE CHALLENGES IN  
CARVING OUT A CAREER**

Speaker : Mr. Rajasekhar Kandepu

05.03.2025

Time : 2.00 PM    Venue : Auditorium, NUCS

Mr. Kandepu's discourse was likely comprehensive, addressing not only the technical skills learned during studies but more importantly, the crucial soft skills and professional acumen required for success in the industry. Topics may have included understanding corporate expectations, effective communication strategies, networking and building professional relationships, navigating organizational hierarchies, adapting to workplace culture, and developing a growth mindset. Furthermore, the seminar probably touched upon resume building, interview techniques, and the importance of continuous learning and personal branding in a competitive job market. The ultimate goal was to empower NICMAR students with the confidence and practical tools needed to effectively manage their career transitions and establish a strong foundation for long-term professional growth.

### **Seminar on ICC and POSH**

NICMAR Hyderabad hosted a critical and highly impactful seminar on "ICC and POSH" on March 12, 2025, conducted from 2:00 PM to 4:00 PM at the Auditorium within its Hyderabad campus. This essential session featured Ms. Rohini Naidu, the Founder & CEO of The Girl Foundation, India, as the distinguished speaker. Ms. Naidu, known for her advocacy and work in promoting gender equality and fostering safe environments, brought invaluable insights into the legal and ethical dimensions of workplace conduct and redressal mechanisms. The seminar underscored the institutional commitment to creating a secure and equitable space for all members of the university community.

The core of the seminar revolved around educating the attendees on the Internal Complaints Committee (ICC) and the provisions of the Prevention of Sexual Harassment (POSH) Act of 2013. Discussions likely covered the historical context and necessity of the POSH Act, the legal definitions of sexual harassment, the composition and functions of an ICC, and the formal procedures for filing and investigating complaints. Ms. Naidu probably emphasized the importance of a zero-tolerance policy towards harassment, the role of bystander intervention, and the significance of fostering a culture of mutual respect and understanding. The session aimed to empower individuals with the knowledge of their rights and responsibilities, ensuring a transparent and accessible mechanism for addressing grievances, thereby contributing to a safer and more inclusive academic and professional environment.

## High Rise Construction Seminar

On April 2, 2025, the NICMAR Hyderabad Campus organized a specialized and highly anticipated seminar on "High Rise Construction with Innovative Methodologies and Approach." Commencing at 11:30 AM in the state-of-the-art Auditorium, the event featured Mr. Gunes Bardrick as the eminent speaker. Mr. Bardrick, a renowned expert in advanced construction techniques, was poised to share his extensive knowledge and insights into the evolving landscape of vertical urban development, a crucial area for future infrastructure.

**NICMAR**  
University of Construction Studies  
HYDERABAD

**HIGH RISE CONSTRUCTION  
WITH THE INNOVATIVE METHODOLOGIES  
AND APPROACH**

**DATE : 02.04.2025**

**Time: 11.30AM**  
**Venue : Auditorium, NICMAR Hyderabad Campus**

**Speaker-Mr. Gunes Bardrick**

The seminar likely provided a comprehensive overview of the intricacies involved in planning, designing, and executing modern high-rise projects. Topics of discussion could have included the latest advancements in structural systems (e.g., diagrids, outriggers), high-performance materials (e.g., ultra-high-strength concrete, advanced composites), and sustainable building technologies (e.g., green roofs, energy-efficient facades). Furthermore, Mr. Bardrick might have addressed innovative construction approaches such as modular construction, prefabrication, and the integration of digital technologies like Building Information Modeling (BIM) and drones for site monitoring and management. The session aimed to equip NICMAR students and construction professionals with cutting-edge knowledge, preparing them to tackle the complex challenges and embrace the opportunities in the global high-rise construction sector.

### **RTI Act Seminar at NICMAR Hyderabad**

On April 23, 2025, NICMAR Hyderabad Campus hosted a significant and highly pertinent seminar delving into the complexities and practical applications of the "RTI Act (Right to Information Act)." The session, scheduled for 02:00 PM, convened at the university's spacious Auditorium, featuring Mr. Seshagiri B.V. as the esteemed speaker. Mr. Seshagiri B.V., an expert in public administration and legal frameworks, was uniquely positioned to provide a detailed and authoritative understanding of this pivotal legislative tool in India, designed to promote transparency and accountability in governance.

The poster features a stylized illustration at the top. On the left, a man in a blue suit stands on a stack of books, holding a document. In the center is a large golden scale of justice. To the right is a blue hourglass. The background includes a city skyline and a NICMAR logo in the top right corner.

**TOPIC: RTI ACT**

**DATE : 23.04.2025**

**Time: 02.00PM**  
**Venue : Auditorium, NICMAR Hyderabad Campus**

**Speaker-Mr. Seshagiri B.V**

The seminar likely provided a thorough exploration of the various provisions and sections of the RTI Act, 2005, detailing its historical genesis, objectives, and its transformative impact on Indian democracy. Key aspects covered would have included the procedure for citizens to file information requests, the specific types of information accessible, the roles and responsibilities of Public Information Officers (PIOs), and the appeal mechanisms available in case of denial or unsatisfactory responses. Mr. Seshagiri B.V. probably also discussed significant case studies and judicial pronouncements that have shaped the interpretation and implementation of the Act. The visual imagery accompanying the seminar, featuring scales of justice and legal documents, aptly reinforced the legal and civic importance of this powerful instrument for empowering citizens and fostering

## INTERNATIONAL YOGA DAY CELEBRATIONS – 21<sup>st</sup> June 21, 2025.

The Student Council of NICMAR University of Construction Studies Organized a successful International Yoga Day event with great zeal on 21<sup>st</sup> June 2025. Students and faculty members came together to celebrate the ancient practice of yoga, promoting wellness and balance to create.

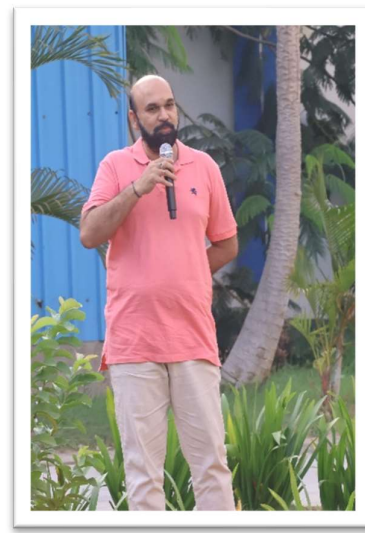

Mr. U Vishwanath, an MBA ACM student, started with a warm introduction highlighting yoga's significance and its benefits for body and mind's production. He encouraged participants to embrace yoga as a way of life to achieve physical, mental, and spiritual balance, and thrive.

Then led the yoga session with expertise guiding participants through asanas, breathing exercises, and meditation with ease. The session was designed to cater to diverse needs. Ensuring all participants could benefit from the practice's transformative deeds.

Faculty members, including Dr. Muralidhar P, Dr. Rajasekhar and Prof. Prashanth, participated with enthusiasm, setting a positive example for the student community to follow and cherish.

Students from the summer school program joined in with great zeal. Together, they practiced yoga, fostering a sense of community and wellness that would reveal.

The event concluded with participants feeling refreshed and rejuvenated. More aware of the benefits of incorporating yoga into their daily routines, elevated. It is a successful celebration of International Yoga Day, leaving a lasting impact on the university's thriving community.

The Student Council's initiative promoted holistic development and well-being.
